LIFT Youth Center Inc, working as coordinator of Strength for Catoosa, ran a mural contest for Catoosa County middle and high school students. This public mural will be located on the side of Jessie Thornton's United Karate Studio in Ringgold, GA. The subject of HOPE is depicted artistically in a manner that will convey a positive message and add visual interest to the downtown area.

The HOPE mural complements and supports the Strength for Catoosa movement, which seeks to change the way people engage with issues of mental health, wellness, and connection in their own lives, and to enact that change on a cultural and community level.
